

The 4th International NGO Forum on World Heritage at Risk

Villa Decius, Krakow, 30 June - 1 July 2017

Resolution

Concerning the Golden Mountains of Altai

The 4th International Civil Society Forum on World Heritage at Risk fully supports the recommendations in Draft Decision 41 COM 7B.5 in the Report to the 41st Session of the World Heritage Committee.

Furthermore, concerning possible extensions of the Golden Mountains of Altai WHS which were the subject of regional international meetings (Ulaanbaatar 2013, Moscow 2014, Urumqi 2015), the Forum suggests that the Golden Mountains of Altai WHS be extended by including Protected Areas in China (Kanas National Nature Reserve and Two Rivers Headwaters Nature Reserve of Altay), Mongolia (Altai Tavan Bogd National Park), and Kazakhstan (Katon-Karagaiskii Biosphere Reserve).
